

D&D INTENSIVE NCLEX REVIEW: 30 Days Study Plan

The recommended time required to complete this review course at a slow and thorough pace is approximately 2 to 3 months; however, you determine how much or how little time you spend on the review.

For individuals who can study about 4 to 6 hours a day for 5 days each week.
Spread out several short study sessions throughout the day.

Print checklist and highlight every topic, video or exam completed.
